

Search Warrant Task Force
Securing Committee
October 21, 2021

Minutes

- I. Securing Committee convened at 2:28 p.m.
 - a. Members present: Nicolai Jelik, Charles Cunningham, Ramon McGee, and David Nicholson. These members were present virtually.

- II. Discussion
 - a. Judge Cunningham initiated a discussion regarding the presentation made by the Reviewing Committee.
 - b. The members also discussed ways to provide the public with access to the e-warrant system without jeopardizing investigations or revealing information in sealed warrants.
 - c. AOC representative, Jason Dufeck, joined the meeting and confirmed that the e-warrant system captures the data necessary to report on warrants. The members of the committee asked Mr. Dufeck about who owns and manages the e-warrant system and its data.
 - d. The committee also examined the process for unsealing warrants and considered the formation and responsibilities of a review committee as an agency that could provide ongoing review.
 - e. The committee also discussed the details of sealed orders.

- III. Approving Minutes
 - a. Mr. McGee makes a motion to approve the minutes, Mr. Nicholson seconded, and the minutes were approved.

- IV. Adjournment
 - a. A committee member moved to adjourn the meeting, it was seconded, and the meeting was adjourned at 3:00 p.m.
